Who can adopt a park?

Any local group such as families, individuals, businesses or other nonprofit organizations can “adopt” any park in El Reno. Some parks are larger and can be adopted by multiple groups or organizations.

Is it free to adopt a park?

It is free. However, time commitments are needed to complete clean-up tasks.

Are there supplies for the park clean up?

Organizations are required to provide their own equipment. A suggested list would include: rakes, gloves, dust pans, brooms, buckets and simple green. El Reno Parks and Recreation will provide trash bags for groups cleaning the parks. Bags can be picked up at the Cemetery Office 1300 E. Elm St., M-FR 8am – 5 pm.

Is there any recognition for participating in the adopt-a-park program?

Absolutely! Adopt-A-Park participants deserve recognition for all they accomplish at their adoptive sites. Adoptive groups/individuals will be identified with a sign located at the adopted location and will have the opportunity for recognition on City of El Reno social media platforms. Adoptive groups/individuals will also be given a certificate after each year completed.
